

## ActiFit Go

Stay fit 24/7

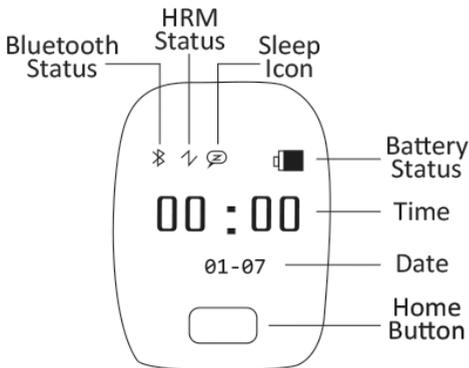

Thank you for purchasing this Merlin Product. Please read the instruction manual carefully before using the product.

The documentation provided will allow you to fully enjoy all the features this unit has to offer.

Please save this manual for future reference.

### Product Interface

### Instructions

- 1) Charge ActiFit Go using the provided charging clip before using it.
- 2) To browse through the menu, touch the Home button.
- 3) Touch and hold the Home button to select a function.
- 4) To connect the device to your smartphone, download and install "Keyband" app from Google Play or App Store.
- 5) Open the app, register an account, and enter your personal details.
- 6) From the menu in the app, go to "Device" and connect to your ActiFit Go from the listed devices.

### Menu Interface:

- 1) In the main menu, a flashing Bluetooth icon indicates that ActiFit Go is not connected to a smartphone, while a still icon indicates that it's connected.
- 2) The HRM and Sleep icons indicate that the device is monitoring your heart rate and sleep pattern.
- 3) Tap the Home button to go to the next function—Heart Rate Monitoring.
- 4) A blank reading indicates that the device is not monitoring your heart rate.
- 5) Tap and hold the Home button to begin real-time heart rate

- 6) monitoring.
- 6) To lock the screen and keep the display on, tap the Home button twice quickly. Same procedure for unlocking as well.
- 7) Tap the Home button to go to the next function—Pedometer.
- 8) Tap and hold the Home button to enable/disable pedometer.
- 9) Tap the Home button to go to the next function—Calories Burnt.
- 10) Tap the Home button to go to the next function—Sleep Monitoring.
- 11) Tap and hold the Home button to enable/disable Sleep Monitoring.

**Note:** Sleep Monitoring function won't work if Pedometer is enabled.

### Maintenance

- 1) Do not drop the device or pour water or other liquids on it.
- 2) Do not try to open the device. It has no user-serviceable parts.
- 3) To clean the device, wipe it with a soft, damp cloth.

### FAQ

- Q) How do I set the time on ActiFit Go?  
A) Once the device is connected to the app, it automatically syncs time and user data.
- Q) ActiFit Go doesn't display call notifications.  
A) Ensure that ActiFit Go is connected to the app. Allow "Keyband" app access to your calls, SMS, and contacts, and keep the app running in the background. If your smartphone has security software, add "Keyband" app to 'Trusted Apps' list.
- Q) ActiFit Go shows that it's connected to the app but is unable to sync user data.  
A) This is likely to occur if the device has lost Bluetooth connection with your smartphone. Try restarting the app, and if that doesn't work, restart your smartphone and try again.

### LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
