

AQUATRAX 2

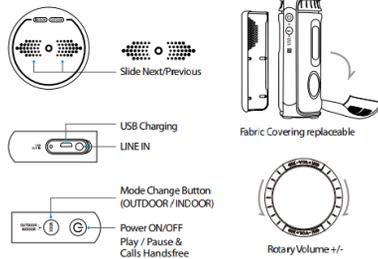

Thank you for purchasing this Merlin Product. Please read the instruction manual carefully before using the product.

The documentation provided will allow you to fully enjoy all the features this unit has to offer.

Please save this manual for future reference.

Instructions

The Aquatrax 2 is a compact Bluetooth speaker that connects to your smart devices. It has a powerful stereo sound and a built-in battery for portability.

Charging:

Before using the Aquatrax 2 please charge it with the micro USB cable to the charging port at the back of the unit. While charging LED will light up red. The red led will switch off when the unit is fully charged. When the battery is low the led will flash red to indicate a charge is needed.

Bluetooth Pairing:

- Active your phone's Bluetooth.
- On your phone's Bluetooth settings, scan for new Bluetooth devices.
- Search and pair with "Aquatrax2".
- If your phone asks for pairing code, please enter 0000 and confirm.
- After successful pairing, the speaker will make a sound and the LED light will turn blue.

Power ON/OFF:

Long press this button  to switch the unit on and off.

Volume – or +:

Turn the dial clockwise to turn up the volume and counterclockwise to turn the volume down.

Next/Previous:

In Bluetooth mode, slide to the right to get to the next track and to the left to get to the previous track

Play/Pause:

When playing music, short press the power button  to Pause/Play.

Answering a call:

When a call comes in, short press  to pick up the call and press it again to hang up.

Refusing a call:

When a call comes in, press  twice quickly to refuse the call.

EQ mode:

Press the MODE icon to select the mode to OUTDOOR or INDOOR and the icon will illuminate accordingly.

FAQ

Q) How long does it take to charge?

A) Approximately 3 – 4 hours .

Q) My speaker does not play music/answer a call when connected via Bluetooth to a mobile phone?

A)

-Make sure your Bluetooth mobile phone supports A2DP and HSF(hands-free) profile

-Ensure your Bluetooth cell phone is within effective working range

Q) Cant connect to the Aquatrax 2 via Bluetooth.

A) Ensure the unit is fully charged and no other device is connected already. Disconnect all other devices before pairing a new one to the Aquatrax 2.

Maintenance

1. Retain these instructions for future use.
2. Clean the product with a damp cloth and mild soap.
3. Do not expose this product to rain or moisture.
4. Be careful not to turn or twist the cables used in this product too much as it can lead to malfunction and failure.
5. This product is not designed to be submerged in water and will malfunction if this occurs.
6. This product has no user serviceable items inside. Do not open this product as the user risk injury and would void the warranty.
7. Keep unit away from strong magnetic fields to avoid interference with the product.

LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
