

BLUETOOTH TV CONNECTION KIT

Thank you for purchasing this Merlin Product. Please read the instruction manual carefully before using the product.

The documentation provided will allow you to fully enjoy all the features this unit has to offer.

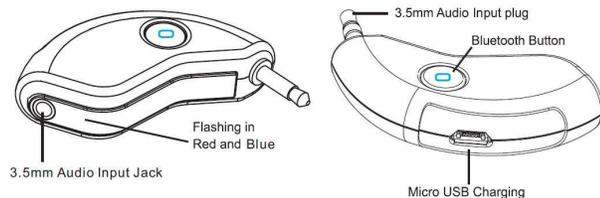

Please save this manual for future reference.

Instructions

The Bluetooth TV Connection Kit makes adds Bluetooth wireless functionality to any device with a 3.5mm audio jack socket. It is a Bluetooth transmitter and can send audio to receiver devices like Bluetooth headphones or a Bluetooth speaker.

Charging:

Before using the BT TV Connection Kit charge it via the micro USB port. Any 5V/1A charger can be used. While charging the red LED will light up. Once fully charged the red LED will switch off.

Pairing and operation:

- Plug the dongle into the 3.5mm audio socket of the source device you want to transmit, like a TV/MP3 player.
- Long press the "Power/Bluetooth" button on the transmitter. The LED will flash between blue and red indicating its in pairing mode.
- Turn on the receiving Bluetooth device, (like Bluetooth Speaker or headphones). Make sure the receiver is within 1m of the transmitter while pairing.
- Once successfully paired the blue LED will flash quickly for a short period of time. Afterwards it will flash once every 5 seconds.
- You can now enjoy listening to the Bluetooth device.
- Please note: If pairing was successful the unit will reconnect automatically the next time it is used.

FAQ

Q) There is no audio on the receiving Bluetooth device.

- A) This can be due to many reasons.
- First check that both transmitter and receiver is charged and switched on.
 - Ensure the devices are paired and the blue LED is flashing every 5 sec.
 - Check if the transmitter is plugged into the source (eg TV)

Q) The audio is very soft on my speaker.

- A) Increase the volume on the source (eg. TV) and on the receiver (eg Headphones / Speaker) to get louder audio levels.

Q) Can I charge my device and listen to music at the same time.

- A) Yes, the charging port is design to be used for charging and audio simultaneously.

Maintenance:

1. Retain these instructions for future use.
2. Clean the product with a damp cloth and mild soap.
3. Do not expose this product to rain or moisture.
4. Be careful not to turn or twist the cables used in this product too much as it can lead to malfunction and failure.
5. This product is not designed to be submerged in water and will malfunction if this occurs.
6. This product has no user serviceable items inside. Do not open this product as the user risk injury and would void the warranty.
7. Keep unit away from strong magnetic fields to avoid interference with the product.

LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
