

FLASH 5000+

FOLDABLE WIRELESS POWERBANK

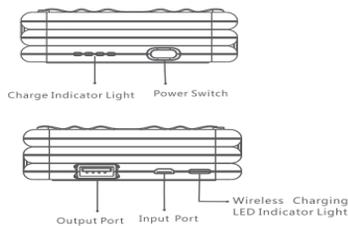

Thank you for purchasing this Merlin Product. Please read the instruction manual carefully before using the product.

The documentation provided will allow you to fully enjoy all the features this unit has to offer.

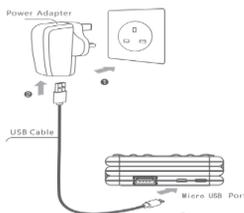

Please save this manual for future reference.

Instructions

A foldable wireless power bank with a charging capacity of 5000mAh.

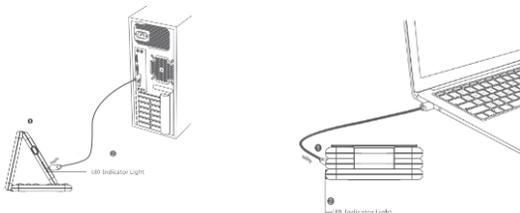

Charging the Power Bank via a Power Adapter:

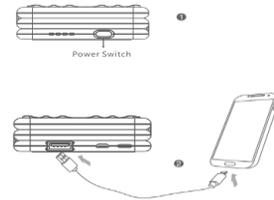

- Connect the power adapter to a mains socket.
- Connect adapter to a standard USB 5V/2A charger, the other Micro USB to the power bank .
- Charging LED Indicator Light turns blue.

Charging the Power Bank via a Laptop or Desktop:

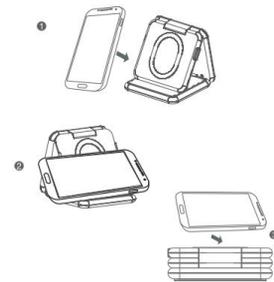

- Connect the USB 2.0 interface into Laptop/Desktop USB port and the other Micro USB to the power bank.
- Charging LED indicator light turns blue.

Charging your device through a cable :

- Put on the power switch, Charge Indicator light turns blue
- Connect the USB 2.0 interface into output port, the other Micro USB to your phone and the charging LED indicator light turns blue under charge status.

Charging your device wirelessly:

- Put on the power switch, the charge indicator light will turn blue.
 - Put your Qi enabled device on the pad, the wireless charging LED indicator light turns green and the charge indicator light is blue as always.
- Note: If the charging position is improper, the charge indicator light will keep flashing. Please move the phone a little until the light turns green.

FAQ

Q) Why is my device not charging?

A) Make sure that the power bank has enough charge, and that your device is properly connected and it is switched on.

Q) My device is charging but at a slow rate.

A) If your device is not charging properly the charge indicator light is flickering, this might be a sign that the power level is very low and/or the device being charged has been improperly positioned.

Maintenance

1. Retain these instructions for future use.
2. Clean the product with a damp cloth and mild soap.
3. Do not expose this product to rain or moisture.
4. Be careful not to turn or twist the cables used in this product too much as it can lead to malfunction and failure.
5. This product is not designed to be submerged in water and will malfunction if this occurs.
6. This product has no user serviceable items inside. Do not open this product as the user risk injury and would void the warranty.
7. Keep unit away from strong magnetic fields to avoid interference with the product.

LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
