The documentation provided will allow you to fully enjoy all the features this unit has to offer.

Please save this manual for future reference.

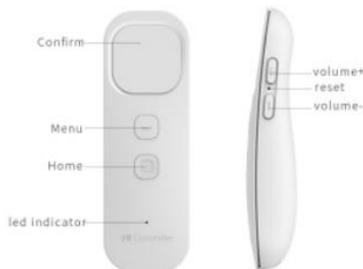

Add the third dimension to your virtual experience.

Instructions

Getting started:

- Download the Daydream VR app.
- Android system users can search and download VR apps in Google Play.
- iOS system users can search and download VR apps in App Store.
- On the smartphone, ensure Bluetooth is switched on.
- Open the app and run in VR mode.
- Open the VR headset cover and place the phone in the holder and plug in the headphone jack.
- Adjust the straps on the headset for a perfect fit.
- Use the adjustment wheel on top of the unit (to adjust the distance of the lenses from your eyes) or the knob on the side (to adjust the distance between the lenses) until you find a comfortable viewing position.
- Gently pull the headphones outward so that it sits comfortably on your ears.
- Behind the left earphone, there are 3 buttons; Volume up +, Volume down -, Play/Pause from top to bottom.

Controller instructions:

Touch pad: recognizes the direction and movement from the finger

Confirm: Press to enter or confirm

Menu: Function button for more options

To use:

Make sure your smartphone supports daydream

-Ensure the smartphone Bluetooth is on, click to enter Daydream App

- Put your smartphone into the VR headset, use the controller, wear the headset and operate based on instruction
- Long press the HOME button to connect the controller automatically
- Use the controller to operate the system

FAQ

Q) The screen is out of focus.

A) Use the wheel on the top right of the unit as well as the knob on the side to adjust the distance of lenses to the phone's screen as well as the distance between the lenses until the screen is in focus.

Q) Can children use the headset?

A) 3D effect viewing is recommended only for children aged 7 and above under adult supervision. However, avoid extended use of the headset.

Maintenance

1. Retain these instructions for future use.
2. Clean the product with a damp cloth and mild soap.
3. Do not expose this product to rain or moisture.
4. Be careful not to turn or twist the cables used in this product too much as it can lead to malfunction and failure.
5. This product is not designed to be submerged in water and will malfunction if this occurs.
6. This product has no user serviceable items inside. Do not open this product as the user risk injury and would void the warranty.
7. Keep unit away from strong magnetic fields to avoid interference with the product.

LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
