

SMART HOME KIT

Thank you for purchasing this Merlin Product. Please read the instruction manual carefully before using the product.

The documentation provided will allow you to fully enjoy all the features this unit has to offer.

Please save this manual for future reference.

Introduction:

The Merlin Smart Home kit is an all inclusive kit that will take your home into the next generation home technology. It has a smart camera, door sensors, motion sensor, smart bulb and smart socket.

Mobile Application:

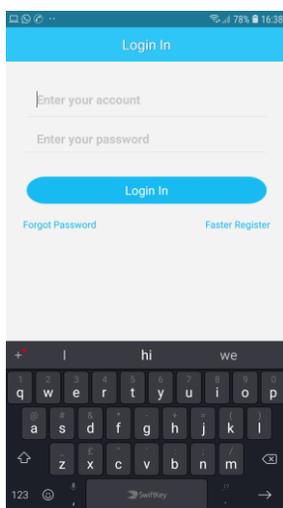

Before using the kit please download and install the “Merlin Smart Home Kit” application for iOS and Android.

[iOS App store link](#) - “Smart Home Kit”

[Google Play Store link](#) – “Smart Home Kit”

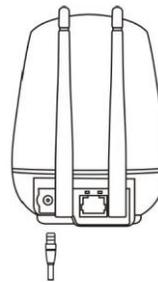

Instructions

Run the application and register a new account with your email address.

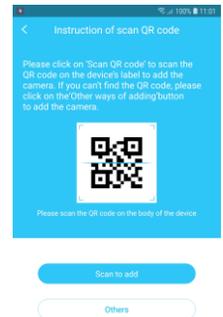

Camera/Hub:

Once logged in connect power to the camera and add it in the app by scanning the QR code. Follow the on screen instructions to connect the camera to the Wi-fi.

Please connect camera power.

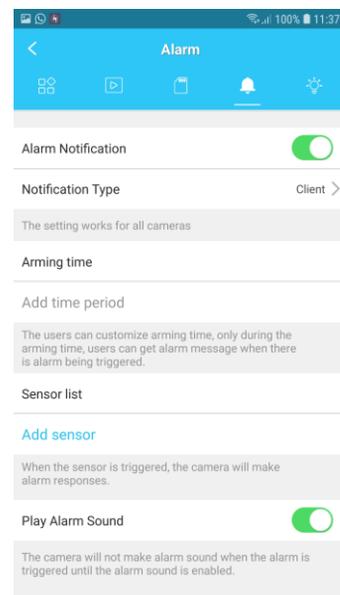

Once the camera is connected a screen such as this should be seen.

When the camera is connected the sensors can be added.

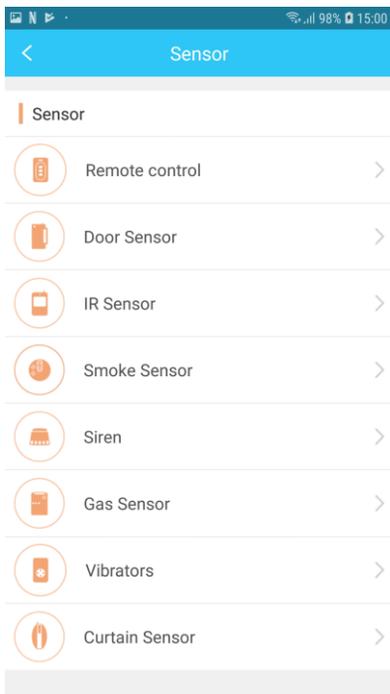

- Press the 3 dots on the top right corner to access the settings menu.
- Select the Alarm icon and select “add sensor” to add the sensor.

From the sensors list select the “Door Sensor” and “IR sensor” to add the sensors to the system.

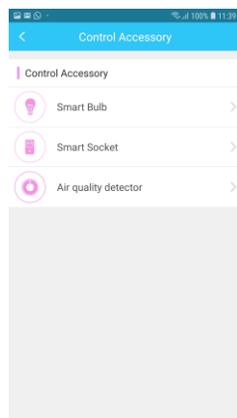

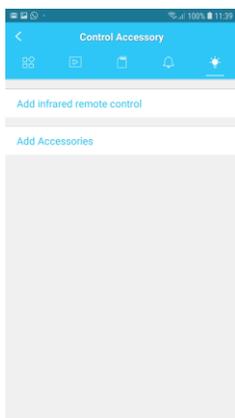

Please note: The sensor need batteries to operate. Please remove all the plastic for batteries before inserting them.

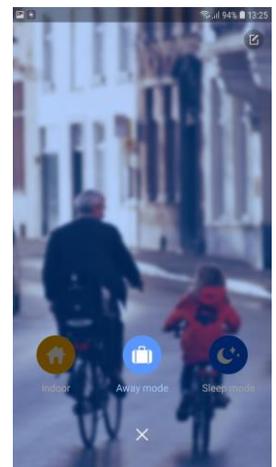

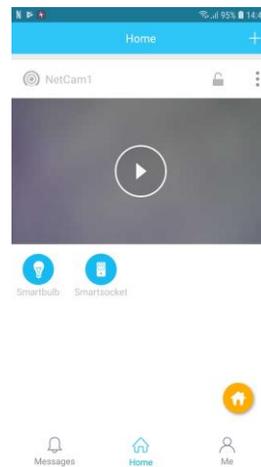

Adding accessories like SmartBulb and SmartSocket:

The kit comes with a smartbulb and smartsocket that can be controlled from the application from any location.

- Go to the settings of the camera via the 3 dots on the side.
- Select the “lightbulb” icon.
- Click on “Add Accessories”
- From here select Smartbulb or Smartsocket and scan the QR code of the item to add it to you camera/hub.
- Once added the items will be listed under “Control Accessories”.

The Control Accessories can be accessed from the home screen.

Setting up the Alarm:

On the home screen you can set when you are home, away or in sleep mode. If in away mode when a sensor will sound with a loud siren tone. When in the indoor mode a chime tone will sound when the sensors are activated.

FAQ

Q) My device is showing “offline” ?

A) Make sure the device is properly connected to the Wi-Fi or Lan.

Q) Can I control the units from a remote location?

A) Yes, the camera and sensor are accessible from your mobile as long as it has an internet connection.

Q) The Smartbulb is purple. Can I change the colour of the bulb.

A) Yes, once the bulb is added as an accessory the units color can be changed by selecting the settings icon on the top left of the screen.

Maintenance

1. Retain these instructions for future use.
2. Clean the product with a damp cloth and mild soap.
3. Do not expose this product to rain or moisture.
4. Be careful not to turn or twist the cables used in this product too much as it can lead to malfunction and failure.
5. This product is not designed to be submerged in water and will malfunction if this occurs.
6. This product has no user serviceable items inside. Do not open this product as the user risk injury and would void the warranty.
7. Keep unit away from strong magnetic fields to avoid interference with the product.

LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
