How to charge Power Bank

Use the desired plug to charge

Or an extension cord

Or via Type-C USB connection
Even in your car

How to Use

Turning ON/OFF

- Press the power button once to turn ON. Press and hold again for about 3 seconds and it will turn OFF.

Wireless Charging

- Lay the power bank flat with wireless surface facing up. Turn ON the device, green LED means ON and stand by, while red LED means charging. **Please take note that it only works with devices that is capable of wireless charging.**

FAQ

Q) Why is my Smartphone not charging?

- A) For wireless charging, please make sure that your smartphone supports wireless charging and place it properly on the correct surface.
- B) For wired connection, try to use another charging cable and/or port on the power bank to find out the problem.

Q) My Smartphone is charging but at a slow rate.

- A) If your device is not charging properly and the display on the LED shows a low charge, this might be a sign that the power level is very low and your power bank needs to be charged.

Maintenance

1. Retain these instructions for future use.
2. Clean the product with a damp cloth and mild soap.
3. Do not expose this product to rain or moisture.
4. Be careful not to turn or twist the cables used in this product too much as it can lead to malfunction and failure.
5. This product is not designed to be submerged in water and will malfunction if this occurs.
6. This product has no user serviceable items inside. Do not open this product as the user risk injury and would void the warranty.
7. Keep unit away from strong magnetic fields to avoid interference with the product.

LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
