The headset will enter power saving mode after 10 minutes of inactivity. Press the multi function button once to activate it again.

FAQ:

Q The headset isn't switching on

A As with all new rechargeable items, please ensure that the battery is completely charged before use

Q The headset won't connect via Bluetooth

A Check if you have enable Bluetooth in your device and that the headset is in pairing mode. Ensure that your device or the headset isn't paired with another Bluetooth device

Q I can't hear any sound from the headset

A Check the headset and your phone/device's volume. Ensure that your phone is not on silent mode

Maintenance:

1. Retain these instructions for future use.
2. Clean the product with a damp cloth.
3. Do not expose this product to rain or moisture.
4. This product has no user serviceable items inside. Do not open this product as the user risk injury and would void the warranty.
5. Keep unit away from strong magnetic fields to avoid interference with the product.

LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
