

## ActiFit Lite

Thank you for purchasing this Merlin Product. Please read the instruction manual carefully before using the product.

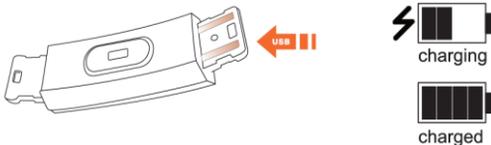

The documentation provided will allow you to fully enjoy all the features this unit has to offer.

Please save this manual for future reference.

### Instructions

#### Charging the device

- Before using the product, please fully charge it first by removing one of the strap band. Gently pull the strap next to the touch key to access the charging pin.

#### Wearing the device

- Place the device around your wrist ensuring the sensor is in contact with your skin and stationary. Then secure the strap in the adjustment hole.

#### Power ON/OFF

- From off state, tap and hold the touch key for 3 seconds to turn ON
- From on state, tap and hold the touch key for 3 seconds to enter shutdown interface, tap the touch once to select between the options, select off and wait for 5 seconds to initiate power off.

### Setting up ActiFit Lite:

#### 1) Download and install the "Yoho Sports" App

- Supported devices are Android 5.0 and above, and iOS 8 and above with Bluetooth 4.0. To download the app, simply scan the respective QR code below or search it in your smartphone app store.

Google play

iOS

#### 2) Setting Up your ActiFit Lite

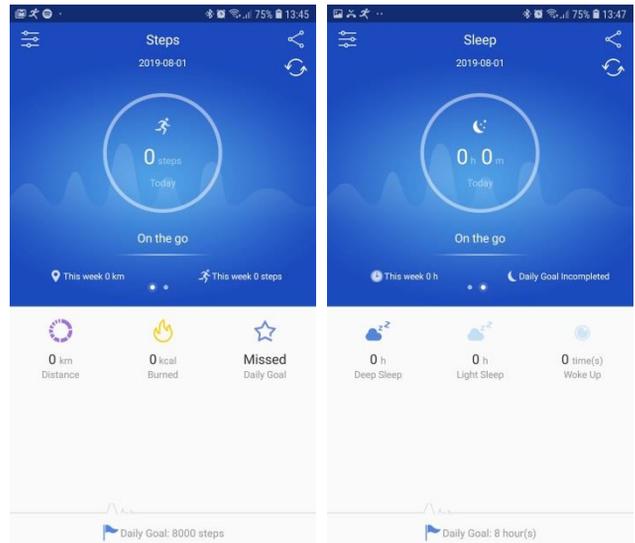

##### Connecting and Pairing:

- After you download the app, make sure that all permission has been granted in order for the app to work properly. Turn on your smartphone's Bluetooth then open the app. At the top-left corner of the home page is the app settings. Tap it to access "Device" settings to pair your ActiFit Lite. If no device is appearing, swipe downward on the white area to refresh/rescan then simply select the device from the list to pair and connect.

### APP Features

#### Home Page

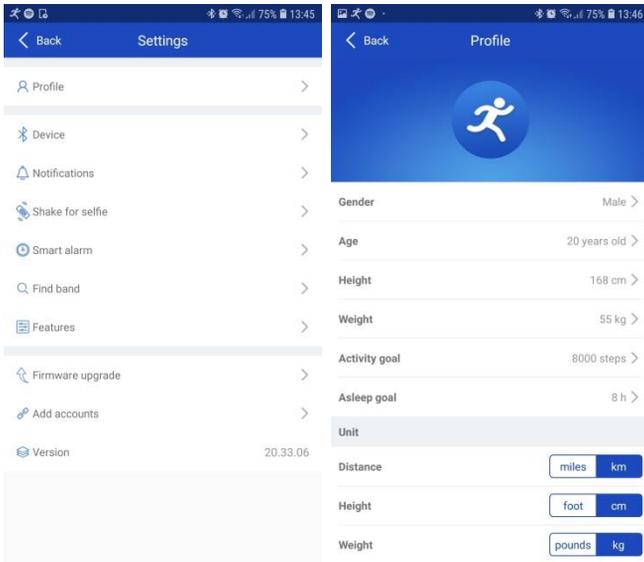

- Displays the data collected from the ActiFit Lite – steps made, distance traveled, calories burned, daily goal, hours of sleep, etc...

### Settings Page (Pic. I)

- Where various adjustments and additional features can be done.

(Pic. I)

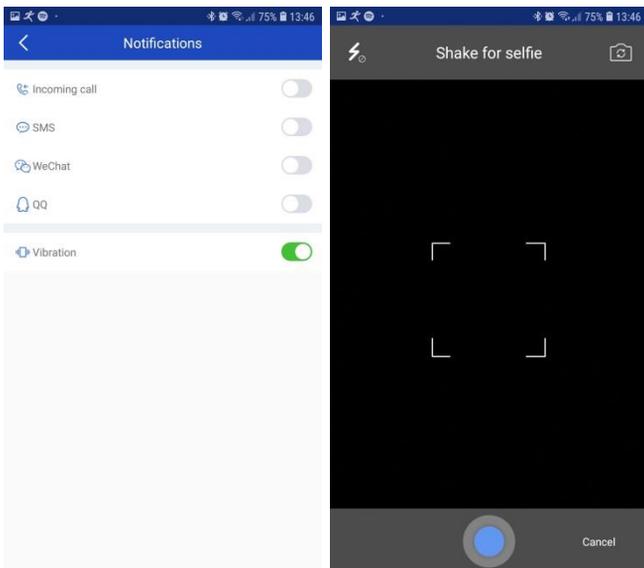

(Pic. II)

### FAQ

#### Q) Pairing Issue?

- A) Please make sure that your smartphone meets the hardware and system requirements.
- B) And the ActiFit Lite is fully charged
- C) And that the distance between your smartphone and the ActiFit Lite is not more than 1ft while pairing.
- D) If the problem persists, please contact our Customer Service Team to assist you

#### Q) Why does it take so long for the heart rate to be measured?

- A) It takes approximately 8 seconds to measure the heart rate, the longer it takes to acquire the signal from the sensor the more accurate the testing results will be.

#### Q) Why does the tracker need to be snug against my wrist when measuring heart rate?

- A) If there is space between your wrist and the tracker the light will reflect on the sensor and the result will not be as accurate.

### Maintenance

1. Retain these instructions for future use.
2. Clean the product with a damp cloth and mild soap.
3. Do not expose this product to rain or moisture.
4. Be careful not to turn or twist the cables used in this product too much as it can lead to malfunction and failure.
5. This product is not designed to be submerged in water and will malfunction if this occurs.
6. This product has no user serviceable items inside. Do not open this product as the user risk injury and would void the warranty.
7. Keep unit away from strong magnetic fields to avoid interference with the product.

### LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
