

BT Airline Adapter

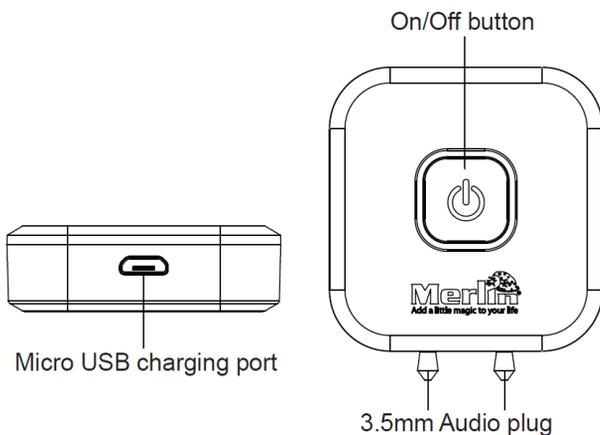

Thank you for purchasing this Merlin Product. Please read the instruction manual carefully before using the product.

The documentation provided will allow you to fully enjoy all the features this unit has to offer.

Please save this manual for future reference.

Parts and Functions

3.5mm Audio Plug – foldable pins for compact design and easy keeping
Micro USB Charging Port – to charge the device from any 5V USB port
On/Off Button – To power ON and off the device as well as pairing mode

How to Use

Turning ON/OFF and Pairing Mode

- Press and hold the power button for at least 3 seconds to turn ON, keep the button held for 3 more seconds to make it in pairing mode. This is proven by alternately flashing red and blue LED. Press and hold again for about 3 seconds and to turn OFF.

Pairing Procedure

- Put your wireless headphone into pairing mode first then, make the Airline Adapter search and automatically connect to your headphone by putting it in pairing mode as well
- After a few seconds, the Airline Adapter's LED behaviour will change as well as your headphone (status change depends on model) which may mean that both are connected to each other
- Then plug the Airline Adaptor to the plane's audio jack

Dual Pairing - Pairing 2nd Headphone

- After a successful first pairing, put the 2nd Headphone into pairing mode then simply double press the power button to make it search for another headphone.
- The device's red LED will continuously flash while blue LED is solid and the red LED will stop once it is paired with the 2nd device.

FAQ

Q) There is no sound coming from the headphone?

- A) Please make sure that the headphone is properly paired with the Airline Adapter and that the Airline Adapter is properly inserted to the jack.
- B) Also, volume from the source and the headphone are properly adjusted

Q) Losing signal or having a bad audio quality?

- A) Please make sure that you are using the headphone within the range (10 meters) of Airline Adapter and that it is running with enough charge.

Maintenance

1. Retain these instructions for future use.
2. Clean the product with a damp cloth and mild soap.
3. Do not expose this product to rain or moisture.
4. Be careful not to turn or twist the cables used in this product too much as it can lead to malfunction and failure.
5. This product is not designed to be submerged in water and will malfunction if this occurs.
6. This product has no user serviceable items inside. Do not open this product as the user risk injury and would void the warranty.
7. Keep unit away from strong magnetic fields to avoid interference with the product.

LIMITED WARRANTY

Merlin Products are covered by a limited one-year warranty policy. If the product suffers from a manufacturing defect, the customer will receive a replacement if claimed within 15 days of the purchase date. Otherwise, the product will be inspected for possible repair options. The product will either be repaired and returned free of charge, or replaced. All repair services past the one-year warranty period will be charged for any repairs that need to be made.

If the client is located outside the UAE, or is otherwise unable to personally deliver the defective product to our service center or retail outlets, he/she may send it via post at his/her own cost. The repaired/replaced product will then be returned to the client via courier mail at Merlin's cost, as long as the warranty period is still active.

Important: This limited warranty DOES NOT COVER normal wear and tear, accidents, damage during transit, misuse, abuse or neglect. Attempting to disassemble the unit will render the warranty null and void.
